

This Land is Your Land (all the lyrics)

Woody Guthrie

This land is your land, this land is my land
From California to the New York island,
From the redwood forest to the Gulf Stream waters;
This land was made for you and me.

As I went walking I saw a sign there,
And on the sign it said "No Trespassing."
But on the other side it didn't say nothing.
That side was made for you and me. (NC - No Chorus)

In the shadow of the steeple I saw my people,
By the relief office I seen my people;
As they stood there hungry, I stood there asking
Is this land made for you and me? (NC - No Chorus)

Nobody living can ever stop me,
As I go walking that freedom highway;
Nobody living can ever make me turn back
This land was made for you and me.

Chorus:

This land is your land, this land is my land
From California to the New York island,
From the redwood forest to the Gulf Stream waters;
This land was made for you and me.
